References

Be sure to download, print out, or otherwise obtain three (3) reference forms from the camp website (www.gracefarmonline.com).

Our desire is to get the best snapshot of who you are. We do this because we care about our campers, and, should you be selected to work at Grace Farm, we can begin learning how we can serve you and help you serve others. The individuals you list must be twenty-one years old or older, and not related to you. One should be your pastor and the others should be persons you know personally (such as a youth pastor, teacher, employer, or friend of the family.)

Personal Information

The following questions are a little more personal in nature. As leaders, our lives tend to be looked at more closely by those outside our ministry (as well as those within our ministry) and we are called by God to be above reproach. We are more concerned with your personal walk with God than we are with filling in a staff position for camp. Please answer all questions honestly. All information will be kept confidential. Your answers will not necessarily disqualify you from a staff/volunteer position. If there are questions regarding your response, a staff member may want to discuss it with you.

Relationship status: Single, Married, Divorced, Widowed

If single, Are you courting/ dating anyone? _____ How long have you been courting/dating? _____

Is your dating relationship one that adheres to the Biblical concept of marriage and reserves sex only for husband and wife? _____

Do you believe pre-marital and extra-marital sexual relationships are a sin? _____

Sexual impurity is very serious and is an area that can, and has, disqualified many in ministry. As a leader we ask that any relationship remain “above approach” in both public and private and should adhere to Biblical standards. Are you willing to adhere to this standard of purity? _____

Have you ever used drugs for recreational purposes? _____

Have you participated in underage drinking or intoxication by alcoholic beverages? _____

Do you use tobacco in any form? _____

Will you, as a staff member/volunteer, be willing to refrain from any other area that may hurt your witness to others or the witness of this ministry while you serve at Grace Farm? _____

Doctrine

Grace Farm has a great emphasis on making sure the Gospel is shared clearly to all that come through – whether at an assembly meeting or in the cabin devotions. We would like to see your response to the following questions. Please take the time to fill these questions out as completely as possible.

On a separate paper, please provide a testimony of your relationship with Jesus Christ. Write 3 paragraphs:

1. How did it begin?
2. What is it like now?
3. How certain are you that you will be in Heaven?

Have you ever led anyone to Christ? _____

Concerning the Word of God:

Is the Bible inspired in its entirety? _____ Is it in error in any part? _____

Can the Bible be taken as the final authority in matters of life and conduct today, even though it was written many years ago? Explain. _____

How often do you read your Bible? _____

Concerning the Godhead:

Do you believe in the Trinity? _____

Do you believe that the Father, Son, and Holy Spirit are distinct persons, each with his own work, and yet co-equal and one in the Godhead? _____

Concerning Man:

Is man the product of evolution or of direct creation? _____

Can man do anything by himself to become righteous before God? _____

Can our good works contribute to personal salvation? _____

Concerning Salvation:

Why did Christ die? _____

If a person has faith in Christ, but shows no good works, can he have everlasting life? Explain. _____

Is baptism by water necessary for salvation? _____

Are people saved because God chose them to be saved before they were born? _____

If a friend or camper comes to you and asks, "How can I know that I'm going to Heaven?" What would you tell them? _____
