***Notes: Please read:

No cell phones.

We will be hiking, jumping, climbing, reaching, and bending, so dress like children of God should, properly covered. Girls, no tanktops. Bathing Suits are fine to bring; they will be covered with shirt and shorts except for private bathing time. Boys keep your pants up with belt or cord.

Be prepared for private but primitive bathroom accommodations.
Sometimes your daily shower will be a jump in the creek.

Bring a solid attitude. It's gonna be great!
